

How to Properly Prepare Your Refuse Cart

All refuse collection will be done using the supplied wheeled cart ONLY! Refuse Carts will be picked up weekly. Placing your refuse in clear or semi-transparent bags is recommended; this prevents loose trash from blowing out of the refuse truck or if the cart is knocked over it will make less of a mess.

Refuse will consist mostly of food waste and soiled materials that cannot be reused or recycled.

What CANNOT be placed in the Refuse Cart?

- Any Recyclable Materials
- Yard Waste, including Twigs and Branches
- Construction Material
- Hazardous Material
- Appliances and Electronics
- Vehicle Parts
- Carpet and Rugs
- Large Items – items that fit in the Refuse Cart but the lid won't close, are considered large items

Cart Placement Guidelines

- Make sure the arrows on the lid are pointing out toward the alley/curb line
- The cart needs to be at least 3 feet from any fixed objects, such as mailboxes, trees, streetlights, or parked cars and must have a 3 foot gap between the carts.
- Place them at the end of your driveway if possible or in the boulevard area, within 1 foot from the curb line.
- Position the cart on as level of a surface as possible, away from overhanging tree branches.
- The cart lid needs to be closed

Common Reasons for Missed Collection

- Cart is not placed following the above guidelines or by the designated collection time
- Cart has been knocked over and was not in an upright position
- Trash is outside the cart or in a different container, or the cart is overflowing/lid does not close
- Cart was placed on a snow bank; they must be placed on a level spot on the boulevard or on your driveway
- Unacceptable items are in the cart (appliances, electronics, hazardous waste, etc.)
- Refuse was placed in black bags and/or bags that are not see through

Set-Out Time

- On day of collection, cart needs to be placed out by 5 AM
- Do not set out more than 12 hours before day of collection
- Carts need to be removed from collection point within 24 hours of your collection day

Winter Cart Placement Tips

- Clearing snow after each snowfall will make it easier to move your cart to its collection point
- Clear a path from your storage location to your collection point
- Clear a spot at your collection point so carts sit flat-WILL NOT BE COLLECTED if placed on snow bank

How to Properly Prepare Your Recycling Cart

Recycling Carts will be picked up as a Single Stream Recycling System, meaning all recyclables can be placed loosely into one (1) container. There is no need to separate materials. Items that can be recycled are listed below.

Plastics- This includes all plastic containers with the numbers  on them.

- Soda Bottles
- Milk Jugs
- Shampoo Bottles
- Contact Solution Bottles
- Detergent Bottles
- Motor Oil Bottles (Must be drained)

Glass Jars and Bottles

- Any clear or colored jar and bottle

Tin and Aluminum

- Aluminum and Tin Cans
- Aluminum Foil and Pie Plates (Cannot be soiled with food)
- Wire Clothes Hangers
- Empty Aerosol Cans
- Metal Pots and Pans

Cardboard/Paper

- Any type of corrugated boxes
- Cereal Boxes (Plastic inserts removed)
- Soda Boxes & Beer Cartons
- Mail and Envelopes (Plastic windows are OK)
- Magazine and Catalogs
- Phone Books
- Pizza Box Covers (Greasy bottoms should be placed with the trash)
- Egg Cartons

Wire

- Christmas Lights
- Extension Cords
- Power Cords

Please Remember

- No "soiled" food containers can be recycled (Dirty paper plates, pizza box bottoms, take out boxes, etc).
- Dirty bottles and jars should be rinsed out. (Ketchup bottles, spaghetti sauce jars, etc)
- Do not bag the recyclables. All items should be placed loosely into the cart
- Flatten boxes

What CANNOT be placed in the recycle cart

- Glass from windows and mirrors
- Packing Peanuts and Bubble Wrap
- Ceramics, Dishware, Pyrex Dishes
- Paper Towels, Tissues, Toilet Paper
- Batteries
- Electronics
- Coax Cable
- Photographs
